PROVEN PERFORMANCE

We are a fully integrated, leading manufacturer of many types of synthetic microfibers, synthetic/macrofibers and steel macrofibers for the Ready-Mix Concrete Manufacturing Industry. Since 1994, our concrete-fiber performance has been proven in over 200+ million cubic yards of concrete.

SEARCH BY PRODUCT TYPES

MAXIMIZE YOUR PROJECT'S SUCCESS

Our in-house registered elite engineers are always available to help you evaluate specific applications and recommend the best Fiber Reinforced Concrete (FRC) solution — including fiber type, dosage rate, mix design, value engineering, and finishing methods.

FULLFORCE PROVIDES INNOVATIVE AND SUSTAINABLE ENGINEERED CONCRETE SYSTEMS. WE CREATE CONSTRUCTIBLE SOLUTIONS AND FORM LASTING RELATIONSHIPS WITH OUR INDUSTRY PARTNERS.

EXPERIENCE & FIELD SUPPORT

Our field support and engineering experts have decades of industry experience. From early design through delivery and placement, we focus on helping you.

PROUDLY MADE IN THE USA

As a family-owned business, we pride ourselves on having manufactured fibers in the USA since the mid-1990s. By doing so, we eliminate overseas shipping hassles, provide on-time delivery, and keep your money here while helping create American jobs.

CREATING PROFITABLE OPPORTUNITIES

When partnering with FullForce, we make you and your business the focus. You will experience greater success in various profit centers as well as long-term, loyal relationships.

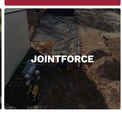
SLAB SYSTEMS

Our field support and engineering experts have decades of industry experience. From early design through delivery and placement, we focus on



THE FULLFORCE WASHOUT BAG BY FLEXSACK

FullForce has teamed up with the bag experts at FlexSack. The joining of our comprehensive concrete construction experience and extensive bulk bag knowledge has led to the development of the FullForce Washout Bag by FlexSack, a new line of concrete washout bags for on-site concrete washout, remediation, and disposal.
